Some potential signs to look for:

- > Presence of a controlling or abusive older "boyfriend"
- > No job and/or not attending school
- > "Branding" or tattoos, particularly a man's name
- > Lack of knowledge of whereabouts; claims "just visiting"
- > Signs of abuse or malnourishment
- > Inappropriately dressed for weather or location
- > Claims of being an adult although appearance suggests a minor
- > Lack of identification or money
- > Inability to make eye contact, especially with males
